

# MESSAGE FROM DIRECTOR OF GRADUATE SCHOOL

## *Message* from Director of Graduate School

Postgraduate programmes in the University have grown significantly in the past years. We are now offering a wide range of postgraduate programmes from postgraduate certificate to doctoral level to meet the demand of the society. With the belief that postgraduate learning should have meaning and impact within students' lives and careers, and the society of which we are all a part, all the programmes are designed and structured with careful planning.

Detailed information about our postgraduate programmes is provided in this Prospectus. You are welcome to give consideration to joining our University. I am sure all staff in different Departments will be happy to share with you their experience in intellectual pursuit and provide assistance.
